Hans Fleischner, The Red Bag
Commemorating the November Pogrom 1938 (Kristallnacht)

THE RED BAG commemorates the
November Pogrom 1938
(KRISTALLNACHT)*

THE RED BAG was photographed at the
following locations:

MAUTHAUSEN**(todesstiege)
BERLIN***(holocaust memorial)
NEUSIEDLERSEE****(invisible border)

THE RED BAG has decided to pay
respect and tribute to those, who suffered
and resisted the utter disrespect for
humanity, displayed in an organized
viscousness, by which every deed or
misdeed of (wo)men in history is being
measured.

BAG story.

you are just wonderful.
